The screenshot shows the AWS S3 console interface. At the top, a green notification bar states "Successfully created folder 'output'" and "Operation successfully completed." The breadcrumb navigation shows "Amazon S3 > myfirsttranslation00101". The bucket name "myfirsttranslation00101" is displayed with an "Info" link. Below this, tabs for "Objects", "Properties", "Permissions", "Metrics", "Management", and "Access Points" are visible. The "Objects" tab is active, showing "Objects (2)". A description explains that objects are fundamental entities stored in Amazon S3. Action buttons include "Create folder", "Upload", "Copy S3 URI", "Copy URL", "Download", "Open", "Delete", and "Actions". A search bar "Find objects by prefix" is present. Below the search bar is a table with columns: Name, Type, Last modified, Size, and Storage class. The table contains two entries: "input/" and "output/", both of type "Folder". The left sidebar contains navigation links for Buckets, Access Points, Object Lambda Access Points, Multi-Region Access Points, Batch Operations, Access analyzer for S3, Storage Lens, Dashboards, AWS Organizations settings, Feature spotlight, and AWS Marketplace for S3. The bottom footer includes "Feedback", "English (US)", "© 2008 - 2021, Amazon Web Services, Inc. or its affiliates. All rights reserved.", "Privacy Policy", "Terms of Use", and "Cookie preferences".

## uploading document/files in both folders

▶ 2:59

The screenshot shows the AWS S3 Management Console's 'Upload' interface. The breadcrumb navigation at the top reads 'Amazon S3 > myfirsttranslation00101 > Input/ > Upload'. The main heading is 'Upload' with an 'Info' link. Below this, a message states: 'Add the files and folders you want to upload to S3. To upload a file larger than 160GB, use the AWS CLI, AWS SDK or Amazon S3 REST API. [Learn more](#)'. A dashed box contains the instruction: 'Drag and drop files and folders you want to upload here, or choose **Add files**, or **Add folders**.' Below this is a section titled 'Files and folders (0)' with 'Remove', 'Add files', and 'Add folder' buttons. A search bar labeled 'Find by name' is present. A table with columns 'Name', 'Folder', 'Type', and 'Size' is shown, but it is empty. A message in the table area says 'No files or folders' and 'You have not chosen any files or folders to upload.' At the bottom, the 'Destination' section shows the path 's3://myfirsttranslation00101/input/' and a link to 'Destination details'.
